

Harbor-UCLA Medical Center Replacement Program Local, Small and Diverse Businesses & Career Resource Event

**Wednesday, January 17, 2024
2:00 PM – 4:00 PM**

Carson Community Center

**801 Carson St
Carson, CA 90745**

Adult Activity Center Room

The Harbor-UCLA Medical Center Replacement Program is a \$1.7 billion project that will add new, industry-leading facilities to the existing 72-acre campus. Six new buildings will be constructed as part of the program, including new Inpatient and Outpatient Buildings, a Parking Structure, and Regional Laboratory.

- Presentation on Project Scope and Bid Opportunities
- Network with Hensel Phelps
- Interact with Trade Partners
